Development centres in Gujarat

2036. SHRI RAMSINH RATHWA: Will the PRIME MINISTER be pleased to state:

(a) what are the details of Development centres set up by Government for the development of infrastructural facilities for setting up industries;

(b) what are the names of places in Gujarat where Development centres have been set up together with the amount of assistance given to each of them during the last three years;

(c) what is the number of programmes completed by these development centres during the last two years; and

(d) what is the name of places in Gujarat which has been selected under the new scheme of setting up of Developmental centres?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (DEPARMENT OF INDUSTRIAL DEVELOPMENT) WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (DEPARTMENT OF HEAVY INDUSTRY) (SHRIMATI KRISHNA SAHI): (a) Government have announced a Growth Centre Scheme in June, 1988 for industrialisation of backward areas through creation of infrastructural facilities. Under the scheme, the selected centres will be provided with all necessary infrastructure at a cost of Rs. 30 crores each so that these centres act as focal points of industrialisation. It is proposed to develop 70 such centres during the Eight Five Year Plan.

(b) to (d) Gujarat has been allotted three growth centres—one each in the districts of Gandhidham, Banaskantha and Bharuch. The project reports of these centres have been approved and Central assistance of Rs. 1.5 crores has been released so far. Industrial infrastructure would be created at the selected centres so as to attract private entrepreneurs for setting up industrial units. The centres would be completed during the Eighth Five Year Plan period.
